

Message from the headteacher

This week has been a great week for us at St George's. We have all enjoyed meeting the new Reception children and other new children across the school. We have also started work on our new 'projects' and we are all working hard in our new classes.

Thank you to those parents who attended the parent termly meetings as well as to those who have offered to help out with swimming and other trips. I am looking for a couple of parents who would like to sort and tidy our library for us. If you are interested and are able to help, please let either myself or the office know. Thank you!

Class Assemblies and Parent Workshops

This year we are altering our class assemblies slightly so that we can include parent workshops for each class. The workshops will be an opportunity for parents to learn how we deliver maths and English in your child's class and you will be given the opportunity to work alongside your child on this. Please take the few hours off work to support your child. These will run between 9 and 10:30am. This term the focus will be English. Next term the focus will be maths.
