

Message from the headteacher

What a wonderful week we have had in school.

We started the week with our Summer fair. Thank you to everyone who helped out, attended the event or donated items. A massive thank you to everyone; but a special thank you to Margaret Gold for pulling the event together. I know she had an amazing group of helpers so thank you to all of them as well. Also a special thank you to staff who gave up their time to help out.

Yesterday was Speech Day. It was lovely seeing so many parents and friends join us for this event. I have had some great feedback and so many people have commented on the excellent behaviour of our children, which is always really lovely to hear. Thank you for joining with us to celebrate our pupils. As I said in my speech all our pupils are special and we are proud of them all.

Today all the children have met their new teachers and teaching assistants. We have included a list of names for you below. We are really pleased to welcome some new staff members to St George's community. All our new class teachers are experienced and bring with them a wealth of knowledge from other schools.

As you may be aware several teachers are leaving us this year. Mr Jones and Miss McLoughlin are moving to the midlands, Miss Ahmed is moving to Dubai, Miss Whittaker is returning to Australia and Mr Cheeseman is moving to another part of London. We will be really sad to see them go and I am sure you would like to join us in thanking them for all their hard work over the years. Please join us for our leavers' service on Thursday morning at 9:15am at the Grosvenor Chapel where we will be saying our formal goodbyes.

Congratulations to Miss Allen who is expecting her first child. Miss Allen is not going on maternity leave yet and so will be with us for the first part of the next academic year.

We are looking forward to welcoming Form 6 parents to our Year 6 production of 'Olivia' on Monday evening. We are also looking forward to the Form 4 production of Mary Poppins at St John's Hyde Park on Tuesday evening. All classes also have trips next week (apart from Form 1). So, as you can see it may be the end of the term but everyone is still very busy!

Have a wonderful sunny weekend.
