

### Pupil Premium Provision Mapping 2018-19

Pupil premium is additional money given to schools to support pupils who are considered disadvantaged.  
In 2018 – 2019, Pupil premium will be targeted at:

- Children Eligible for Free School Meals
- Looked After Children
- Children requiring additional pastoral support including children 'in need' or subject to child protection plans

The current funding is approximately £42,240 in total. Estimated costs have been allocated in the following way.

#### **Supporting the whole child- Academic**

	Overview	Cost	Aim/Outcome
Reading volunteers	We have a number of reading volunteers (both from companies and parents) who support our children in reading each week. this involves training for the volunteers as well as ensuring the correct reading material is available for each child.	£2K for books £200 for supply cover for training	All children requiring additional support in reading will have received this throughout the school year. This will have impacted on their attainment and progress ensuring that they are achieving at least the expected standard in reading.
Whole school interventions	<p>This year we have employed an additional member of teaching staff to focus on key stage two interventions. Children in receipt of pupil premium funding across KS2 will have access to additional in class and out of class support depending on their needs.</p> <p>We have also trained some of our Teaching Assistants to understate intervention groups for particular focus children.</p> <p>The HT and DHT will be supporting mathematics interventions in key year groups across the school.</p>	<p>£500 per week x 39 weeks =£19,500</p> <p>£1000 per year- training and time out of class</p> <p>£DHT and HT time = £10,000</p>	All children receiving additional support in lesson via interventions both inside and outside of lesson time will reach at least the expected standard and make accelerated progress where required in all subject areas targeted.

### Supporting the whole child- Well being

	Overview	Cost	Aim/Outcome
Uniform provision	School uniform will be provided for those in most need. This may be direct form our suppliers or via our second hand uniform boutique.	£1000 – depending on number of pupils requiring support	Pupils feel part of school community and are able to attend school events with the correct uniform, allowing them to be part of the school.
Achievement for all- mental health and wellbeing programme	There will be training for staff, pupils and parents around mental health and wellbeing. This will support adults in identifying mental health issues in others and how they can support each other.	£2500	Adults have a better understanding of mental health issues on pupils and adults and are better equipped to support each other. Therefore, leading to better progress and attainment in pupils who need additional support due to home worries/concerns.
1-1 Mentoring Kick and Grosvenor	We will provide 1-1 mentoring and small group mentoring for children who require additional support to focus n class, to get on with others or who need to develop their self-esteem and confidence.	£3000	The support given to pupils will allow them to focus n class more, become more confident and therefore increase both their attainment and progress measures. This will lead to better results across the school.

### Supporting the whole child- Enrichment

	Overview	Approximate costings	Aim/Outcome
Trips	Free trips will be provided for pupils who are unable to afford them. We will not stop children participating in enrichment activities due to financial reasons.	£1000	This will enable all pupils to feel part of the school community. It will help them develop their skills, knowledge and abilities.
Extra-curricular clubs	Free clubs will be provided to pupils who are unable to afford them. We will not stop children participating in enrichment activities due to financial reasons.	£1500- depending on number of pupils requiring support	This will enable all pupils to feel part of the school community. It will help them develop their skills, knowledge and abilities.

Residential	Free residential will be provided to Year 6 pupils who are unable to afford them. We will not stop children participating in enrichment activities due to financial reasons.	£600- depending on number of pupils requiring support	This will enable all pupils to feel part of the school community. It will help them develop their skills, knowledge and abilities.
