

Reception class learning from home

Monday 13th July - Friday 13th July

Dear parents/carers,

Children in Reception across the country are back at school this week. If you are attending school, we do not expect you to complete these activities as you will have daily lessons with your teachers. For any children unable to come in to school, this learning from home page provides daily lessons and activities. The Government have worked with schools across the country to create a set of daily lessons in English, Maths and another foundation subject. This initiative is called the Oak National Academy. The Government are recommending that schools use these carefully planned and sequenced lessons for children's learning from home.

We have suggested a daily routine for children to follow. We are also pleased to share with you the Oak National Academy weekly assembly and weekly collective worship for children to watch and join with.

The daily learning routine below is only a suggestion to help provide structure. You will decide what works for you in your home. We realise that the family will need to share laptops or mobiles, so only plan to do what you can. We recognise that parents may be working, caring for sick family members or looking after little ones, so choosing activities is up to you. The activities guide you and your child to be able to learn together or for your child to learn on their own. Parents are not expected to be teachers and these daily lessons are designed to keep children busy and enjoying learning, while providing flexibility for parents to run their household as they see fit. We are not going to be checking up to see how much work has been done!

We continue to provide a range of suggested additional activities which children may like to have a go at in addition to the daily lessons.

If you would like to share any of your child's learning from home with us, please take a photo and email it to the school. We'd be happy to see it.

Reception parents are warmly invited to log in and update Tapestry. It could be daily or weekly, of any activities, either educational or life skills. Miss Galvin will be logging in regularly to see all of the wonderful activities you are doing at home! If you have any questions about home learning, please email: office@sghsprimary.co.uk

Daily learning

Additional activities

Daily Morning Activities

These are activities suggested for the morning every day.

Warm-Up

- Daily half-hour PE/fitness session with Joe Wicks. Live at 9 am every day but can be watched at any time. [Click here](#)
- Or Take part in one of Andy's Wild Workouts. [Click here](#)

Daily Phonics lessons

- [Click here to go to the Read, Write Inc phonics lessons home page](#)
- Scroll down to the video lessons.
- Reception children should do the **Set 1 Speed Sounds, Reading and Spelling lessons** (available from 9.30am) and the **Set 2 Speed Sounds and Spelling lessons** (available from 10.00am)

Daily Afternoon Activities

These are activities suggested for the afternoon every day.

Daily Reading

- Login to Oxford Reading Buddy. [Click here](#)
- Read a book from the 'My level' tab in the Library section. At the end of every book is a quiz which children should try to complete on their own. Their results will be sent to their teacher so that they can track your child's progress against key comprehension skills.
- You can read by yourself or you can read to an adult.
- You can also listen to great stories being read aloud. [Click here](#)

Daily Foundation curriculum lesson with Oak National Academy - [Click here](#)

- Choose 'Reception' then find the [Foundation](#) lesson for the day.
- Click on the lesson title and then click 'Start lesson'
- You can pause and re-watch the video as many times as you need to help you understand!

Spellings to learn and practise at home

Steps to Success:

Remember to...

- Say the word
- Sound out the word using Fred Fingers (Green Words only!)
- Write the word.
- Check the word (tick each correct letter)

Red Words- these are words that we cannot sound out using our **Fred Fingers**. These are words that we just have to learn how to spell.

Learn how to spell these Red Words:

1. they
2. to
3. he
4. me
5. we

Green Words- these are words that you can sound out using your Fred Fingers!

Learn how to spell these Green Words. They all contain the **Special Friends** 'or'.

1. for
2. corn
3. short
4. torch
5. storm

Practise these spellings every day this week.

Use

the Steps to Success to help you. At the end of the

music, movement and speaking and listening skills. [Click here](#)

Playtime - songs, stories and movement activities. [Click here](#)

Phonics – Online phonics games. Try both Phase 2 and Phase 3.

Phonics Bloom:

[Phase 2 - Click here](#)

[Phase 3 - Click here](#)

Phonics Play:

[Phase 2 - Click here](#)

[Phase 3 - Click here](#)

Maths – Watch a new video lesson every day on White Rose Maths – [Click here](#)

Online maths games. [Click here](#)

Bud's Number Garden - join Bud the bee, explore his magical garden and practise recognising numbers, counting, sequencing and much more! [Click here](#)

[Click here](#) to try some of Digit Dog's challenges. You could even act these out at home with your own soft toys!

Sing along and learn with [Numberblocks](#)

week, get a family member to ask you to spell the words.

Parents - would you like some information about how to help your child with their phonics? [Click here for a useful guide](#), including videos on how to say the sounds.

Problem solving maths at home with [Nrich](#)

Hungry Little Minds - Simple, fun activities for children from newborn to age 5. [Click here](#)

Music – Can you compose your own piece of music? [Click here](#)

Singing – Learn a new song every day with Out of the Ark music! There are also activities and challenges related to each song. [Click here](#)

The Book Trust - Visit the website for interactive books to read online or watch with signing. Book Trust also offer free, fun games to enjoy online. [Click here](#)

[Click here](#) to watch animated films based on Julia Donaldson's picture books.

[Watch and listen to Michael Rosen](#) reading lots of stories and poems on his Youtube channel. Learn your own to perform!

Computing – Learn to type – Start at Lesson 1 and continue. [Click here](#)

Assembly and Collective Worship

Assembly at school is a time for us all to come together. We can't all be together at the moment but the Oak National Academy are giving an assembly and a collective worship each week by video where we can all share in watching the same message.

You can find the weekly assembly and weekly 'Faith at home' collective worship on the page alongside your usual daily lessons.

Or you can [click here](#) to choose the assembly. Or [click here](#) to choose a 'Faith at home' collective worship.

Wellbeing - Keeping our mind and body healthy

[Click here](#) to choose a video that matches how you feel, with ideas on what you could do to spread good feelings or help yourself to feel better.

[Click here](#) to choose activities to help with being calm.

[Click here](#) for Cosmic Kids Yoga. Join in with free yoga and mindfulness videos for children.

[Click here](#) for fitness, games and problem solving lessons by the PE Hub

[Click here](#) to visit the Change 4 Life website and join in with their fun Disney-themed '10 minute shake up' games!

[Click here](#) for Super Movers – Curriculum linked resources to get moving while you learn.

SUMMER READING CHALLENGE

We encourage children to take part in the Summer Reading Challenge with the local library every year. The challenge is for children to read as many books as they can over the summer period. They earn points and badges for each book. [Click here to join the challenge.](#)

You can find lots of great books to read online from Camden Libraries. [Click here](#)
You will need to be a member of a library to use this. You can become a member for free. [Click here](#)

Practise your typing using this online game. [Click here](#)

Art – Creative art activities from the [Tate Gallery](#)

Additional Activities – If you would like to access additional activities for your child to complete at home, you could visit the Twinkl Home Learning Hub. [Click here](#)

You will be able to access and download a range of screen based and non-screen based activities. **PLEASE NOTE:** You will need to register for a free Twinkl account in order to access these resources.
