

Let your light shine in the world as Jesus did, with compassion, thankfulness and hope.

Dear Parents and Carers

Welcome to our final Newsletter of the Spring Term, and what a superb term it has been!

Thank you to you all for being such a wonderful community. Together, we are striving to ensure that our children develop into exemplary citizens of tomorrow, becoming the very best people that they can be – ready to go out and let their light shine in the world! In difficult times, I think it stands testament to our devotion and resilience that we all work together to provide the very best for each other.

St George's wishes you all a very well-deserved Easter holiday and we look forward to welcoming you back on Tuesday 20th April. There will be many exciting events ahead and we are already planning class assemblies, virtual coffee mornings and many other events to resume, returning to as close to normal as we can. Small but mighty – together we can and will achieve the very best for our community!

We are delighted to welcome as many of you as can join us for all or any of the Easter services this weekend at St George's Hanover Square or The Grosvenor Chapel; either in person or online. Please see the attached bulletins and online links at the end of the school newsletter.

Main Easter Sunday sung Eucharist Services 4th April take place at:

St George's Hanover Square at 11am

<https://www.stgeorghanoversquare.org/>

(Sarah & Abby will provide in church colouring and other quiet activities for children sitting with parents)

The Grosvenor Chapel at 11am

<http://www.grosvenorchapel.org.uk/>

Wishing you a very restful Easter and very much looking forward to the upcoming term!

Let your light shine in the world as Jesus did, with compassion, thankfulness and hope.

Miss Petra Slater, Acting Headteacher

Admissions to St. George's

If you know of a friend or family member who would like to make an application for their child to attend our school, please ask them to call our office.

They can apply online via our school website and will also need to fill in a St George's supplementary form, also available online, or from our school office.

Mrs Baukovic is always happy to help with any queries or with filling in forms!

Summer term 2021

At the beginning of the Spring term, we had planned to have two INSET days. Due to the unforeseen announcement of lockdown, we decided to postpone one of these days. We have now rescheduled it for Monday 19th April. This will give the staff an opportunity to prepare for the upcoming term and ensure the best possible outcomes for our children and families. You're understanding in this, is greatly appreciated.

Monday 19th April 2021 – INSET Day

Tuesday 20th April 2021 – Pupils back at school

Monday 3rd May 2021 - May Bank Holiday – school closed

Half term - 31st May – 4th June 2021

End of term Friday 23rd July 2021

PRAYER OF THE WEEK

God made you and God made me,
He made the world for us to see.
God loves you and long ago,
He sent his Son to tell us so.
Jesus showed us many things,
To love and share and dance and sing.
To learn and pray, to help and care,
He promised he'd always be there.
He died but then came back to life,
Let's celebrate for he's alive!

Amen.

COVID UPDATE

Please make sure that you continue to do your lateral flow tests and keep the school informed of any positive results. We need to continue ensuring the safety and wellbeing of our families and this information is key.

Informing us if anyone in your household tests positive for coronavirus

If your child or anyone in your household is displaying symptoms of coronavirus at home or is sent home by Miss Slater with coronavirus symptoms, you must arrange a test for them immediately.

Please let us know by email: office@sghsprimary.co.uk. or phoning the school office, so that we know that your child will not be able to join the online learning and so that we can check in with you to see that everything is OK.

1. To arrange a test, you should visit: nhs.uk/ask-for-a-coronavirus-test
2. DO NOT WAIT! Your child should be tested on the same day they are showing symptoms, or the next day at the latest.
3. If your child tests positive for coronavirus, you will receive a text, email or phone call from NHS that explains what your result is and what you need to do next.
4. If your child tests negative for coronavirus, your child can return to school or their remote learning

The most important symptoms of coronavirus (COVID-19)
