

Working together for the achievement of all.

Dear Parents and Carers

This week Reception were invited back to school. It was lovely to see the children and their parents again. We have missed you! We are looking forward to welcoming Year 1 back on Monday. Please remember no bags and to stick to your allocated drop off and pick up time. To all of our families, please do get in touch with the school if you need to.

It was wonderful to be back, and here are a few words of wisdom from some of our children who have returned this week. Hopefully their positivity will encourage more of you to return!

I've found school a lot more interesting and engaging because there are less students in the classroom.

I like playing with the toys. I made a bus and a boat.

I like school because I can see my friends again.

I have had the best day ever. I made a new friend.

I like lunch. I was so surprised I got a water bottle.

Today was amazing, I thought school during covid-19 would be terrible, but I was very wrong.

Stars of the Week ☺

Our wonderful Stars of the Week

Reception A	Reception B	Year 1 A	Year 1 B	Year 6 A	Year 6 B	Childcare
Zephaniah	Isabella	Coming next week!				Zac

Star of the week in Reception Bubble A is Zephaniah for settling in well and adapting to the new classroom environment.

Star of the week in Reception Bubble B is Isabella for showing excellent manners and following all our Golden Rules even though it has been a long time since we've been at school.

Star of the week in the childcare hub is Zac. He has listened well in all his lessons and put lots of effort into his work. He has been a helpful member of the class and has remembered all the Golden Rules.

We have been planning for many weeks, carefully following government guidance around protective measures for the reopening of schools. Our staff have had two days training on how to implement this guidance. Over the past three months, staff have continued working in our joint Childcare Hub for critical keyworker children, so they are familiar with the safety and hygiene routines and new ways of working.

The letter to parents on our website - Information for parents—Coronavirus Information-letters dated 29th May will answer lots of your questions, but do give our school office a ring and ask to speak to Ms Slater if you have any further queries.

We look forward to welcoming back as many of our children as possible. We have put in place many new safety measures in order to best support the reopening of our school during this time.

With this in mind, we also need to remind you that if your child or any of your family are feeling unwell and are displaying any symptoms outlined below, **please do not come to school** and inform the office immediately.

If your child becomes unwell with COVID 19 symptoms during the day, we have set up an isolation room where they will wait and be collected by their parent or carer.

Please follow the link below for more information around track and trace and isolation advice.

Symptoms

The most important symptoms of coronavirus (COVID-19) are recent onset of any of the following:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)

For most people, coronavirus (COVID-19) will be a mild illness. However, if you have any of the symptoms above you must stay at home and arrange to have a test to see if you have COVID-19 – go to [testing](#) to arrange.

Here are some of the changes we have made to make school safer. We are really looking forward to welcoming you back as soon as we can!

Dates for your diary

Monday 8th June

Year 1 children are invited back to school 9:15am – 3:15pm (ex. Fri)

Monday 15th June

Year 6 children are invited back to school 9:30am – 3:30pm (Ex. Fri)

Let your light shine in the world as Jesus did, with compassion, thankfulness and hope.

With warmest wishes to you and your loved ones.

Ms Petra Slater, Head of School and Mrs Rebecca Harris, Executive Headteacher

What to do if your child develops symptoms of coronavirus whilst at school - a parent's guide.

Dear parents / carers,

Your child _____ appears to have the following symptoms of coronavirus (COVID-19) (Head of School, Ms Slater, to tick here, as appropriate)

new and continuous cough

high temperature

loss of, or change in, your normal sense of taste or smell (anosmia)

You need to do the following:

1. Take your child home immediately to self-isolate.
2. Call **111** to book a test for your child, or visit 111.nhs.uk/covid-19 to book a test for your child online.
3. **DO NOT WAIT! Your child should be tested on the same day they are showing symptoms, or the next day at the latest!**
4. **Please let the Head of School (Ms Slater) know** immediately you receive the result of your child's coronavirus test, by calling the school office on
5. **020 7629 1196**
6. If your child tests positive for coronavirus, you will receive a text, email or phone call from NHS that explains what your result is and what you need to do next.
7. If your child tests negative for coronavirus, your child can return to school.
