Dear Parents and Carers

Welcome to our weekly Newsletter. We hope that you have had as exciting a week as we have here at St. George's. This week, I thought we could celebrate in pictures!

On Monday our Head Boys and Head Girls and a few others attended a special memorial being held for Sara Jayne Stanes, chief executive of the Royal Academy of Culinary Arts. We have worked closely with the Royal Academy of Culinary Arts for many years and were honoured to have been asked to such a moving and thoughtful event at Claridge's.

We also celebrated Libraries Week with a special storytelling event at Mayfair Library. Thank you to all of the parents that were able to attend; we hope you enjoyed yourselves as much as we did. Mayfair Library is a wonderful asset to our local community, so please do sign up for a library card so that you have access to the brilliant books that they have to offer. If you are interested, why not pop into the library one day after school and see what exciting events and after-school sessions they are offering?

Our Green Team are now up and running and had an educational and inspirational Friday afternoon planting some wonderful plants to make our playground a much more inviting space – not only for us humans, but also for local wildlife. We also had a few green fingered helpers from other years to help us which was wonderful! I look forward to sharing some more of their green initiatives over the coming weeks!

Let your light shine in the world as Jesus did, with compassion, thankfulness and hope.

Miss Petra Slater, Acting Headteacher
