

*Working together for the achievement of all.*

Dear Parents and Carers

This week we had the pleasure of welcoming back Year 1. They have settled into their new routines with ease and have been keen to get back to their learning and their friends. Our teaching team are doing an amazing job with ensuring this transition back to normality goes as smoothly as possible. It is a real pleasure to hear the sounds of both the children and the team coursing through the halls of our lovely school once more.

Next week we are eagerly awaiting the return of our Year 6 brigade. Mr Long, Mrs Saddington and Mr Roney have been very busy planning exciting projects for their arrival and are keen to invite as many children back as possible. This is by no means how we would have hoped to end their remarkable primary learning journey, but we will make sure that their transition into the next chapter of their lives is noted and properly celebrated. They are a credit to the school and we are proud of our soon to be St. George's alumni.

We still have spaces available in Reception, Year 1 and Year 6. We know that some families were in two minds whether to send their children back and we would like to encourage you to do so, with the knowledge of the success that our reopening has had so far. The children are delighted to be back with their friends and teachers and are ready to get back to learning!

Please do call Ms Slater if you would like to discuss the measures we have put in place to ensure we are providing a safe and happy learning environment in line with government guidance. We would love to see as many of you back as possible so that when we are able to reopen completely, we are ready to get learning.

Alexander - For being a good listener and following the school rules sensibly. He also challenged himself in his learning this week.

Please make sure that you read our letter to parents dated 29<sup>th</sup> May. You will be able to find this on our website – Information for parents – Coronavirus Information. This will answer many questions that you may have about bringing your child back to school and the measures that we have taken in order to be in line with government recommendations around reopening the school.

We also ask that if your child and any of your family are feeling unwell and are displaying any symptoms outlined below, **please do not come to school** and inform the office immediately.

If your child becomes unwell with COVID 19 symptoms during the day, we have set up an isolation room where they will wait and be collected by their parent or carer.

### Symptoms

The most important symptoms of coronavirus (COVID-19) are recent onset of any of the following:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)

For most people, coronavirus (COVID-19) will be a mild illness. However, if you have any of the symptoms above you must stay at home and arrange to have a test to see if you have COVID-19 – go to [testing](#) to arrange.

### Learning from Home

We are so proud of how you have all embraced your Learning from Home over these past few months. The teachers have frequently commented on how diligently you are all engaging with your learning and how keen you have been to share what you have been doing.

It has been brought to our attention over this week, that of course, some of the children who have returned have celebrated their birthday during lockdown. We cannot let such events and fun times go unrecognised! If you have celebrated your birthday during lockdown and are in YR, Y1 or Y6, you are invited to join us in school on Monday 15<sup>th</sup> June wearing clothing of your choice. We look forward to seeing you then!

### **A prayer for the world**

God of love and hope,  
you made the world and care for all creation,  
but the world feels strange right now.  
The news is full of stories about Coronavirus.  
Some people are worried that they might get ill.  
Others are anxious for their family and friends.  
Be with them and help them to find peace.  
We pray for the doctors and nurses and scientists,  
and all who are working to discover the right medicines  
to help those who are ill.  
Thank you that even in these anxious times,  
you are with us.  
Help us to put our trust in you and keep us safe.

**Amen.**

### **Dates for your diary**

**Monday 15<sup>th</sup> June**

**Year 6 children are invited back to school 9:30am – 3:30pm (Ex. Fri)**

**Let your light shine in the world as Jesus did, with compassion, thankfulness and hope.**

With warmest wishes to you and your loved ones.

**Ms Petra Slater, Head of School and Mrs Rebecca Harris, Executive Headteacher**
